TETRIS MATT

TETRIS è un'arena giocosa ma sofisticata dove la geometria diventa il gioco e la creatività la regola. Realizzata con le pietre naturali più prestigiose, questa serie vi invita a mescolare forme geometriche - rettangoli, triangoli e cerchi - creando spazi unici. Ispirandosi al gioco iconico, questa serie vi sfida a ripensare l'armonia delle forme. Ogni composizione è unica quanto il designer che la crea, con infinite configurazioni a portata di mano. Benvenuti in TETRIS: dove il design incontra il gioco.

TETRIS is a playful yet sophisticated arena where geometry becomes the game and creativity is the rule. Crafted from the most prestigious natural stones, this series invites you to mix geometric shapes - rectangles, triangles, and circles - creating unique spaces. Drawing inspiration from the iconic game, this series challenges you to reimagine the harmony of shapes. Each composition is as unique as the designer behind it, with infinite configurations at your fingertips. Welcome to TETRIS: where design meets play.

TETRIS es una arena lúdica pero sofisticada donde la geometría se convierte en el juego y la creatividad en la regla. Elaborada con las piedras naturales más prestigiosas, esta serie te invita a mezclar formas geométricas - rectángulos, triángulos y círculos - creando espacios únicos. Inspirada en el juego icónico, esta serie te desafía a reimaginar la armonía de las formas. Cada composición es tan única como el diseñador que está detrás de ella, con infinitas configuraciones a tu alcance. Bienvenidos a TETRIS: donde el diseño se encuentra con el juego.

TETRIS offre un espace de création ludique et raffiné, où la géométrie s'invite dans le jeu et où la créativité est reine. Avec les pierres naturelles les plus prestigieuses, cette collection vous encourage à jouer avec les formes géométriques - rectangles, triangles, cercles - pour créer des espaces singuliers. Inspirée du jeu emblématique, TETRIS vous défie de repenser l'équilibre des formes. Chaque agencement est aussi unique que le designer qui l'imagine, offrant d'innombrables possibilités de configuration. Bienvenue dans TETRIS, le point de rencontre entre design et jeu.
